

GARDINER CITY COUNCIL
AGENDA ITEM INFORMATION SHEET

Meeting Date Requested:	March 25, 2015	Department:	City Manager
Agenda Item:	Executive Session Per 1 MRS 405 (6) (D) to Discuss Collective Bargaining		
Background Information:			
<p>PW Director Tony LaPlante and I will be present to discuss a potential offer to help settle the ongoing Public Works contract negotiations. We will also discuss the wage re-openers for the three other unions that have already settled on a contract, as they have requested that those talks begin. As you'll recall, these unions, in effect, agreed to a 0% wage increase in the first year of their contract with wage re-openers for years two and three. (The PD and General Unit unions agreed to 0%, the Fire Department agreed to a raise but this raise was fully offset by other concessions that they made so it was revenue neutral to the City's budget).</p>
