

**BOYS & GIRLS CLUB OF GREATER GARDINER**  
**Director's Report**  
**January 9, 2006**

**1. Club Program Update**

All programs are back in full swing after a holiday break. Youth wrestling will be starting in mid-January along with several Adult Education classes that are scheduled to take place here at the Club.

We will be having a Valentine's Day luncheon for adults and senior citizens. Dawna Gregoire will be organizing this event.

The Carol White Physical Fitness grant has purchased the following equipment for shared use between MSAD#11 and the Club: 12 mountain bikes, 14 canoes, snowshoes, cross country skies, and climbing walls. This equipment will provide new programming for Club members. Programs will be listed in our summer brochure.

**2. Pray Street Bond**

Gardiner Savings lifted restrictions on the donated funds to pay off the MSAD #11 bond. This is very good news to have these funds available to pay the bond in full with no mortgage.

**Zoning**

Jason Simcock, Jeff Kobrock, Mitchel Rasor and I are working on the zoning issues for the Pray Street parcel. Reclassifying the zone is being considered as a solution. This approach would allow the property to continue being used in the manner it is being used now while protecting the residential neighborhood.

**Draft Deed**

Bill Stockmeyer, MSAD #11 attorney is working on a draft of the deed for consideration by the City of Gardiner and the BGCGG. As soon as we have a copy I will pass it along for review.

**3. Budget Review**

The City 06/07 budget is due to the City Manager by February 10. We are in the process of developing the budget. We will have a draft to review at the February meeting. Attached is a year to date budget report as well as a project of where we will be at June 30.
