Dear Jeff:

Associated Grocers of Maine, Inc. would like to request the city change the name of the street leading into the Associated Grocers of Maine Industrial Park to "AG Drive". The city's E911 committee recently assigned the name "Park Drive" to the street leading into our facility.

Image and recognition is important in business today, and we would like to be able to add "AG Drive" to our letterhead and other business material. Please let me know what we need to do to facilitate this street name change.

Thank you for your assistance.

Sincerely,

Patrick M. Flannery
President/CEO
