DEPARTMENT OF TRANSPORTATION  
MID COAST REGION 2  
45 COMMERCE DRIVE  
98 STATE HOUSE STATION  
AUGUSTA, MAINE  
04333-0098

DAVID A. COLE  
COMMISSIONER

January 31, 2006

Mr. Jeff Kobrock  
City Manager  
City of Gardiner  
6 Church Street  
Gardiner Me. 04245

Dear Mr. Kobrock,

The State of Maine Department of Transportation will be paving in the Gardiner area this summer (2006), through the Maintenance Surface Treatment Program, formerly known as the Maintenance Mulch Program. There will be no plans developed for this work. At the time the Department requests bids, the proposal book will contain quantity estimates and descriptive information as necessary to identify locations and provide the basis for competitive bidding.

The road sections that will be affected in the City of Gardiner are as follows:

**Route 24, from the Richmond/Gardiner town line, to Sherbourne Ave.**

If you have underground facilities within the limits of this project, please inform this office of their location in order that they may be properly considered during the design of the proposed project. Properly located facilities are a considerable protection against damage from construction operations.

Scheduling for individual roads within the contract area will be determined after the contract has been awarded to the winning candidate.

If you have any questions concerning the upcoming work, please feel free to call me at the Region 2 Office at 623-8230.

Sincerely,

Reginald O. Knowles  
Pavement Manager  
Region 2  
Phone 624-8230
