Highway Department
City of Gardiner
Gardiner, Maine 04345

Gentlemen,

I would like to take this opportunity to thank the Gardiner Road Crew, especially the foreman, for the excellent response recently when I called and asked if there was something that they could do about the drop-off on the side of North Street, in front of our house, where our mail and paper boxes are located.

I called, and he very politely said he would take a look at it, which he did soon after I called. He advised me that he would be out the following week and repair it. He did, and he did a wonderful job.

I am confined to a wheel chair and it was practically impossible for me to retrieve my paper and mail. This is so wonderful! I wish to thank him again, for his courtesy and kindness.

Sincerely, Janice Plaisted
