Dear Mr. Kobrock:

I am pleased to inform you that after review of your recent 2008 CDBG Community Enterprise program application, the Office of Community Development (OCD) is inviting the City of Gardiner into the project development phase of the application process and we have reserved \$150,000 for this project. Please be aware that this invitation is not a guarantee of funding or permission to begin the project or expend funds for proposed project activities.

Terry Ann Stevens has been assigned as the Program Development Manager from our office to work with your community through the completion of this process. Terry Ann will be contacting you in the near future or you may telephone her at 624-9814.

Congratulations on your selection to proceed in the application process. Best wishes toward the successful completion of your project.

Sincerely,
