Memorandum

TO: MMA's Key Municipal Officials

FROM: Anne Swift-Kayatta, President, Maine Municipal Association

DATE: May 7, 2008

RE: Nominations to MMA's Legislative Policy Committee

What are the four or five most important changes that should be made to Maine law as it applies to local government?

Should MMA continue to advocate for comprehensive tax reform or should the Association recognize the Legislature is unwilling to reform the state's tax code and give up that fight?

Are the principles and practices of home rule and local control being eroded through the Legislature's consolidation efforts, or have the consolidation activities over the last several years found the right balance between efficiency and community-based decision making?

For the Maine Municipal Association, the decisions about these and hundreds of other public policy issues are decided by 70 elected and appointed municipal officials from across the state who are elected by their peers to serve on MMA's Legislative Policy Committee. It is time for all the municipalities in Maine to nominate their candidates to serve on this vital and diverse policy committee which is so important to the Association.

Enclosed is a **Nomination Form** for the July 2008 – June 2010 term of the Legislative Policy Committee. The purpose of the LPC is to define municipal interests and to maximize those interests through effective participation in the legislative process.

Any elected or appointed municipal official holding office in any MMA member community is eligible to serve on the Committee. There are two seats on the LPC for each State Senate District. Members serve two-year terms, representing their own community and the other municipalities in their Senate District.

LPC activities require a minimum time commitment of approximately ten hours a month during legislative sessions, which includes attendance at the monthly meeting and contacts with other communities and legislators in the district as issues arise. MMA's strength as a municipal advocate depends on the active help of a dedicated LPC.

More information about MMA's Legislative Policy Committee and the Association's entire advocacy program can be found at MMA's website (www.memun.org) under the "Legislative" link. In particular, the *LPC Handbook* describes the Association's overall policy development process and procedures in more detail.

Nomination Process

Your municipality is entitled to nominate a representative to the LPC.

- The nominee may be either elected or appointed, but must be serving currently as a municipal official.
- You may nominate any municipal official from a town or city within your Senate/LPC District; you do not have to nominate someone from your municipality.
- The names of all municipal officials properly nominated will appear on the LPC ballot, which will be distributed in mid June.

Nominee Profile

Because the municipal officers may not be familiar with a nominee from another municipality, a brief description of each nominee who completes the enclosed **Nominee Profile Sheet** will be provided with the ballots that are distributed in late June. Please make sure that the person you nominate has a chance to complete the Nominee Profile Sheet and that it is returned to MMA with the Nomination Form.

Deadline for Submitting Nomination

The Chairman of your Board of Selectman, Council or Assessors (the "nominator") *and the nominee* must sign the nomination form for it to be valid.

The form must be returned to MMA by **5:00 p.m. on June 18, 2008**, to be counted. Ballots will be mailed out immediately after the nomination process closes, so make sure you return the nomination form before the deadline. Please return the nomination form to **Laura Veilleux** at MMA either by mail (60 Community Drive, Augusta, Maine, 04330) or by FAX (626-3358).

If you have any questions, please call MMA's State and Federal Relations staff at 1-800-452-8786 or 623-8428.
