**CLUB NEWS!**

The fitness room is coming together very nicely!  
 New paint, the floor is down and half of the equipment is in.  
 This will be a great asset to the Club and the community.

We are in the process of United Way program reviews and allocation committee meetings.

We have applied for funding in all 3 tiers.

If all are funded it would allow us to have \$30,000 available for scholarships,  
 \$18,000 to hire a part-time social worker and \$10,000 to hire a part-time van driver.

A parent stopped by my office this week to let me know how grateful she is to have our support during a very difficult time for her family.  
Her husband is out of work and her mother has been diagnosed with advanced stage breast cancer.  
With the help of United Way funds we have been able to scholarship her 2 year old daughter for child care.  
*Always nice to hear how we are making a family's life a little easier!*

*Have a Good Weekend!*

*Ingrid*
