Dear Valued Digital Subscriber:

We hope you have been enjoying the new channels we have recently added, including NFL Network, The Sportsman Channel and ESPNU on Digital Basic. As well as CSTV, Tennis Channel, Fuel and Fine Living on Digital Plus. We were also excited to add NFL Network, Discovery and ESPN2 to our Digital HD Plus service.

Viacom, the distributor of all VH-1 programming, has announced plans to discontinue the digital channel, VH-1 Mega Hits on Channel 161. Simultaneously, they will launch a new channel known as LOGO, which is predominately alternative lifestyle in content. As a result of this decision by Viacom this change will take place on or about June 30, 2005, at that time we will be placing LOGO on Channel 188.

We are also excited to add one more new channel to your digital line up, Fox Reality Channel will be on Digital Plus, Channel 134.

Adelphia has always worked hard to bring you the very best in entertainment choices and will continue to bring state-of-the-art services to your home. Adelphia appreciates your patronage and thanks you for your continued support.

If you have any questions regarding this change please contact our customer service department at 1-888-683-1000.

Sincerely,

Adelphia
