Gardiner Board of Trustees:

As a Board of Selectpersons in Randolph, we are very concerned about what is or could be happening to the Water District.

On July 13, 2004 at a duly called board meeting we voted on the following:

To have the Water District Charter be changed to have a trustee on the board from Randolph as well as from the other two towns the district serves, being Farmingdale and Pittston.

We also recommend that all trustees be elected not appointed.

Sincerely,

Randolph Board of Selectmen
