April, 21, 2015

Present: Jim Pierce, Denise Brown, Tina Gowell, Rusty Greenleaf, Chief Al Nelson, City Manager Scott Morelli, Senator Earl McCormick, Chief Shawn Ramage, Lt. Rick Seiberg, Mark Kimball, Nancy Frost

Budget ( proposed) presented by Scott Morelli – two scenarios : 1. No cuts 80% average increase to each town; not acceptable 2. \$135,000 in cuts = 11% average increase to each town.

It was suggested that we look at cutting \$85,000 as the Chief suggested and we look at increasing the per capita rate slightly. Denise will work on the figures for these options.

Chief Nelson is looking into replacing an ambulance. Looking into leasing, buying a demo and buying a new unit.

Dispatch options still being considered between Kennebec and Lincoln.
