Dear Mr. Harris:

Thank you for submitting your application for a renewal of the local liquor/bottle club for 1-50 seats and a request for the renewal of the states' on premise license.

The City is unable to meet the advertising requirements prior to the expiration of this license. This license renewal will include a Public Hearing on January 6, 2021. Due to this time constraint, please be informed that the City is extending the local license for liquor sales to be extended to January 7, 2021.

This extension does not validate a state decision for an extension, so please make the state department aware so they may decide how they move forward.

The City of Gardiner sends its thanks and appreciation to you. If I can do anything else, please do not hesitate to reach out to myself or any member of the city team.

Stay safe and well in the New Year.

Warmest Regards:
