This is a Public Hearing on a proposed Marijuana Establishment Licensing Ordinance. The proposed ordinance addresses the licensing of all adult use and medical marijuana establishments in the City.

This ordinance provides annual licensing allowing the City Council to review the operation of each facility once a year and address any issues with its operation. There are three different sets of requirements in this proposed ordinance: first time applicants, renewal applications, and applications involving the expansion or relocation of a facility.

A full copy of the proposed ordinance is attached under item 4.3.
