Agenda Item	3.d Adult Use Marijuana Business License Application: Herbal Pathways, LLC		
Est. Cost	n/a		

**Background Information**

The Land Use Code Addresses Marijuana Establishments:  
 It states-

10.28.5 An applicant that has received a conditional license from the State of Maine for a marijuana establishment may apply for City approval of that category of establishment. Any approval or license based upon a conditional state license shall be conditioned on the applicant receiving an active license from the state within one hundred eighty (180) days of the date of the City's approval. If the applicant fails to obtain an active license within that period, all City approvals, licenses and permits are void.

Herbal Pathways, LLC has been granted a conditional license with the State of Maine and has received approval from the Planning Board. The conditional license acknowledges and affirms all information is true and complete and then requires local authorization. As part of the Marijuana Business License Application for the City of Gardiner, approvals must be given by Code Enforcement, Economic Development, City Manager, Gardiner Fire Department, Gardiner Police Department, Public Works, and City Council.

All pertinent paperwork is attached under item 4.d.
