Please share a little of your background to give the city an idea of what committees you would be interested in:  
I have worked in Gardiner since 2001 as the director of Healthy Communities of the Capital Area (HCCA). HCCA has played a big part in projects in Gardiner over time from helping start the Walking School bus at LER, to supporting Gardiner Main Street's noon time business walking group and supporting local eateries to promote one healthy option on their menus. We also support and lend resources for the Co-op, Tobacco-Free policies and signage, classes on healthier eating at the Boys and Girls Club.

Much of our work focuses on children, youth, and families. It is a great opportunity to focus on adults who are older, seniors, etc. by incorporating opportunities that support everyone, but are specifically designed with older adults in mind.
