Please share a little of your background to give the city an idea of what committees you would be interested in and/or best suited for:

I have worked in both the for-profit and non-profit worlds. I owned a Dairy Queen franchise in Augusta and Hallowell with four locations for 10 years. I sold the franchise and was a stay at home Mom for four years. I joined the Board of Directors at the Children's Museum and then transitioned into the Executive Director position. From there, I went to the KV YMCA as the Marketing & Development Fund Director for 2 years. Currently, I have been the Capital Campaign Director at Johnson Hall for over 3 years. In all positions, I worked on marketing & PR, social media campaigns, and raising money. I even ran the student annual fund campaign for UMF ^{fall} 1993 - ^{spring} 1997, which I was a student there. My degree is in business.
