Meeting Date	10/28/2020	Department	City Clerk
Agenda Item	4.j Appoint Election Workers for the 2020 General Election		
Est. Cost	n/a		

Background Information

With the November 3, 2020 election fast approaching, and the outbreak of COVID-19, many municipalities are working to secure election workers to work the polls and perform all the requirements of a successful election.

The City Clerk has prepared a list of election clerks that are willing to serve the City of Gardiner at least through the end of the year.

Normally this appointment is performed by City Council by May 1st of each year, however, due to the extenuating circumstances the City Council is being asked to consider this list of clerks. The City Clerk is also asking that these appointments also be until the 31st of December 2020. At that point, the political parties can prepare possible nominees for the position.

Requested Action	'I move to appoint the list of election clerks as presented in order to facilitate/staff the November 3, 2020 election. This appointment will expire on 12/31/2020.'
City Manager and/or Finance Review	The City Manager recommends the above action.
