

**GARDINER CITY COUNCIL
AGENDA ITEM INFORMATION SHEET**

Meeting Date	08/03/2022	Department	City Council
Agenda Item	4.k) Consideration of the removal of the sidewalk on School Street between Dennis Street and Pleasant Street		
Est. Cost	N/A		

Background Information

As you may recall currently the City is doing a major paving project on Dennis and Kingsbury Streets. At the last Council Meeting Public Works Director brought up the condition of the sidewalks on School Street between Dennis and Pleasant Streets and the need for their removal. Public works is already in that neighborhood and it would make sense to do it while they are mobilized there. The sidewalks would be removed and then filled and seeded to match what has been done on Dennis and Kingsbury Streets.
