

**GARDINER CITY COUNCIL
AGENDA ITEM INFORMATION SHEET**

Meeting Date	10/14/2020	Department	Wastewater
Agenda Item	4.k Discuss, Evaluate, and Possibly Approve 'List A' of Sewer Abatement Requests		
Est. Cost	\$1,689.97		

Background Information

The City Council will discuss, evaluate, and possibly approve the 'A' list of sewer abatement requests. Sewer abatement requests are reported quarterly to the City Council. Requests over \$150.00 require Council approval. See attached list for more information.

List A: City Council consideration (over the \$150.00 threshold) This quarter's list are all outside water meter requests.
 List B: City Council Special Consideration (outside water meter readings not given within the six (6) month ordinance window) None
 List C: Internal City Staff Approval (under \$150.00 threshold) None

Wastewater Director Doug Clark will be available for any questions.

Requested Action	'i move to approve the Sewer Abatement Requests from List A, in the amount of \$1,689.97.'
City Manager and/or Finance Review	The City Manager recommends the above action.
