Please share a little of your background to give the city an idea of what committees you would be interested in:

I am a Gardiner resident, having moved here in 1998. I grew up nearby, in Augusta, and after graduating from UMF with a business degree, I purchased a DQ franchise. I owned

and operated three stores, and built a fourth, during my ownership with three locations in Augusta and one location in Hallowell. After ten years, I chose to sell my business to stay home with my children for four years. I then entered back into the workforce doing non-profit work. I was the Executive Director of the Children's Discovery Museum, then moved into the Marketing and Development Director position for the KV YMCA, and currently am the Capital Campaign Director for Johnson Hall.

I am and have been very involved in the City of Gardiner. I like to give back and help when I can. I am on the Ordinance Review Committee and thought this might be helpful in

serving on the Appeals Board. Thanks for your consideration.
