Hello,

I would like to submit my interest in joining the Board of Appeals.  
I am currently the SVP of Retail Services at Midcoast FCU where I am in charge of all branch and eBranch oversight as well as our Mortgage Department and Commercial Lending. With this, I am responsible for ensuring sound compliance regarding regulations to depository accounts, mortgages and business lending. While part of my job with employee/ customer service and everyday work has a lot of gray area and exception allowance; regulations and compliance do not share such elasticity in decisions. I understand that the Board of Appeals is similar in nature and decisions are law, code and ordinance based.  
I feel I would be a great addition to this board given my current work experience, strong attention to detail and passion for our laws and the compliance of those laws.

Thank you for your consideration
