<b>Agenda Item</b>	5.f) Acceptance of CDBG Funds - McKay Park		
<b>Est. Cost</b>	0% Match		

**Background Information**

Last fall the City of Gardiner received a Community Enterprise Grant through the Office of Community Development in the amount of \$25,000, which was earmarked for McKay Park Improvement Project. Council approved the required 25% matching funds in the amount of \$6,250.

After months of committee meetings and working with a land architect it was evident that \$25,000 was not going to be enough to cover the expenses of the park improvement project. The Director of Economic Development & Planning reached out to the CDBG Director to request additional funds to help with costs. The city received confirmation that the state was able to give an additional \$75,000 towards the project for a total of \$100,000.

There is no match required on the additional \$75,000.
