Agenda Item	4.2 Consider Sidewalk Committees List for Improvements		
Est. Cost	TBD		

Background Information

The Sidewalk Committee continues to meet, discuss, and evaluate the sidewalk improvements that will be occurring in the city. On May 23, 2019, the sidewalk committee met and decided that Church Street and Brunswick Avenue, from the Common to LER on the South side of the street (left side going out) to High Holborn and then the North side to school, will need to be prioritized. This project will be funded from the existing sidewalk funds. The committee will continue to meet and prioritize the sidewalks to be constructed under the current plans, and with available funding.

Requested Action	'I move to approve a reconstruction of the Church Street sidewalk, and the sidewalk on Brunswick Avenue from the Common to Laura E. Richards School on the South side of the street (left side going out) to High Holborn and then the North side to school.'
