

**GARDINER CITY COUNCIL
AGENDA ITEM INFORMATION SHEET**

Meeting Date	03/06/2019	Department	Public Works
Agenda Item	4.5 Consideration of a request from the Sidewalk Committee regarding Spring Street reconstruction		
Est. Cost	TBD		

Background Information	<p>Per the Council's request, the sidewalk committee met on 2/27/19 to discuss a plan as to how to proceed with addressing sidewalk issues. The committee reviewed the project plan developed twelve years ago. The plan identified a section on Spring Street that needed a rebuild near the Knights of Columbus continuing to Mt. Vernon Street. Since the plan was developed the sidewalk conditions have changed from Bridge Street to the Knight's of Columbus Hall. Evaluating the data, the committee voted unanimously to rebuild this sidewalk. This project will be funded from the existing sidewalk funds. The committee will reconvene in mid April to prioritize the sidewalks to be reconstructed under the current plans, and with available funding.</p>
