

**GARDINER CITY COUNCIL
AGENDA ITEM INFORMATION SHEET**

Meeting Date	10/30/2019	Department	Code Enforcement
Agenda Item	4.2 Council Consideration of a Proposed Road Name/Okami Path		
Est. Cost	n/a		

Background Information	Code Enforcement Officer McNeill received a request to name a private road off from 87 West Hill Road as Okami Path.
	Part of the property has been sold and another home will be located off the private driveway.
	According to Chapter 10 of the 911-Enhanced section of the City of Gardiner Code: "all public or private roads serving two or more addresses shall be named."
	The request complies with the criteria that "no two roads shall be given the same or similar-sounding (e.g. Beech and Peach, Pine Road and Pine Lane) names. Currently there are no other roads in the City of Gardiner with a similar name.

Attached is an email from Code Enforcement Officer McNeill and the map showing the proposed drive.

Requested Action	'I move to approve the private road name of Okami Path, that will be located off the current 87 West Hill Road.'
City Manager and/or Finance Review	The City Manager recommends the above action.
Council Vote/ Action Taken	
Departmental Follow-Up	

City Clerk Use Only	1 st Reading _____	Advertised _____	EFFECTIVE DATE _____

Subject: Proposed private road name for council
Attachments: west hill rd.pdf

Hello. The driveway for 87 West hill rd will become a private road due to the sale of part of the property. The proposed name is "Okami Path" I have attached a map. Please add this to the council agenda for the 30th. Thanks.

Kris McNeill
Code Enforcement Officer

FIRST PREVENTERS: A First Preventer may go under the title of building inspector, building official, code enforcement officer, fire chief, fire marshal, building safety official, electrical inspector, plumbing inspector, plan reviewer or health officer. But the labels merely obscure their common mission: to prevent harm by ensuring compliance with building safety codes before a disaster occurs. From hurricanes to tornados, floods, wildfires and earthquakes, building safety codes administered by First Preventers play a major role in saving lives, protecting property and reducing recovery costs often paid for by taxpayer dollars.
