To the Mayor, City Manager and Council,

Anne Cough and Edward Greiner of Gardiner would like permission to raise funds for a memorial marker in the annex of Plaisted Cemetery.

Plaisted Cemetery is on the corner of Highland Avenue and West Hill Road. This is owned by the City of Gardiner. The annex is to the right on West Hill Road. In that open green field lies the bodies of 262 people in unmarked graves.

We would like to place a marker in that area. It is NOT a playground... it is a cemetery. An account would be opened and money deposited for that purpose. I already have money to go in that fund.

Thank you for your consideration.

Sincerely,

Anne Cough and Edward Greiner
