Est. Cost	n/a		

Background Information

The Blind Pig Tavern has requested and been granted a sidewalk cafe permit allowing use of the park during the winter months to add six Adirondack chairs and a small propane fireplace in the outside area. They have stated they would maintain the area and keep it clean and free of snow. (See attached email however the City Council does not need to address this matter as its allowed per code.)

However, their current outside consumption permit specifies summer months. They would like to extend it to be year-round. The City Council is being asked to extend this permit to a year-round basis.

Requested Action	'I move to extend the outside consumption permit for The Blind Pig Tavern to year-round.'

Good afternoon!

I would like to inquire and add to the next council meeting to add liquor and a small seating area (for around a propane fireplace)

The seating area would consist of 6 Adirondack chairs, and a small propane fireplace.

We would maintain this area, keep it clean and free of snow.

Please let me know if you have any questions, or if you would consider this.

Thank you,
Brandi Kennerson
