

**GARDINER CITY COUNCIL
AGENDA ITEM INFORMATION SHEET**

Meeting Date	12/04/2019	Department	Fire/Ambulance
Agenda Item	4.8 Consider Retired Fire Truck Donation to Capital Area Technical Center Firefighter Program		
Est. Cost	None		

Background Information

The Fire Chief is requesting permission to donate the 1987 Pierce Engine to the CATC firefighter program. This Engine can no longer be used for emergency response and can not be sold to another community for emergency response. This is a condition of the FEMA grant that we received in the amount of \$334,333 to replace this Engine.

The Engine would be donated with the following conditions:

If the apparatus was no longer useful to CATC or if the program ceased to exist, the apparatus would return to the Gardiner Fire Department.

All insurances, maintenance, repairs and operational costs for the apparatus are the sole responsibility of Capitol Area Technical Center

Requested Action	'I move to donate the 1987 Pierce Engine to the CATC Firefighter program with the following conditions: (read above conditions).'
City Manager and/or Finance Review	The City Manager recommends the above action.
