==Please provide the following information:==

Name: **Adam Lemire**

Email: adamrlemire@gmail.com

Address: 38 Pleasant Street

City: Gardiner

State: ME

Zip: 04345

Phone: 8022757339

Please share a little of your background to give the city an idea of what committees you would be interested in: I moved to Gardiner this past August with my partner, who is doing her family medicine residency at Maine General in Augusta. I am a licenced architect with 11 years experience in the field and currently work at Platz Associates in Auburn. I previously was on the Development Review Board in Wilmington, Vermont in 2015 and taught architecture studios at Jefferson University in Philadelphia in 2017-18. I am active member of American Institute of Architects and was Vermont State Director for the Emerging Professionals branch in 2015. I am interested in joining any board that could use my experience including the Planning Board.

I am not sure what the mission of each board is or what the meeting times are for some. I am open to joining a few if schedules and interests align. Thank your for your time.

Email: jclaveau@camdenational.com

Address: 190 Water St

City: Gardiner

State: Maine

Zip: 04345

Phone: 207-588-8401

Please share a little of your background to give the city an idea of what committees you would be interested in: I have been involved in economic development and commercial lending off and on for the past 20 years in Central Maine. I have a strong interest in seeing our region and community continue on its current momentum. Gardiner has tremendous potential and it is very important to support the local business community with the property tools and initiatives. For these reasons I would like to continue being involved with the economic development committee.

Please share a little of your background to give the city an idea of what committees you would be interested in:

Hi,

I have lived in Gardiner for 5 years now and I love it. I would like to be an involved citizen and be a part of Gardiner's future. I currently work at Thomas College as an administrator and have worked at Colleges/Universities my whole career. I have a Master's Degree in Intercultural Relations. My volunteer history has been with Johnson Hall and I am a founding member of the Drama Boosters in town. I have previously served on two boards in Maine: Child Development Services of Cumberland County and The Friends of the Reach School in S. Portland.

Please feel free to contact me with any questions you may have.

Thank You,
Kristine Johnson

Phone: 207-582-0225

Please share a little of your background to give the city an idea of what committees you would be interested in: I have ten years experience as a paid and volunteer licensed EMS person from Licensed Ambulance Attendant up to EMT-Critical Care. From 1982-1986, I was the Maine EMS Licensing Agent (State ambulance inspector) for this region. As Licensing Agent, I worked with Gardiner Ambulance as the emergency medical liaison for the Maine Yankee (Wiscasset) evacuation plan. I created the current procedures for transporting injured children by ambulance, first published in the March, 1986 issue of the Journal of Emergency Medical Services and included in the Pediatric Paramedic Training Program of the National Children's Hospital Medical Center in Washington, DC. I have also been a more than a few times consumer of Gardiner Rescue services and have been pleased and impressed with the care I've received.

Please share a little of your background to give the city an idea of what committees you would be interested in: I have served on the Cobbossee Trail Committee for several years and am very excited about seeing the work of the committee come to fruition. I currently have co-chaired the Enhancement sub-committee and have worked with members of that committee, the public and personnel from the Department of Transportation to develop signs for the trail. I would really like to continue to be a part of seeing this project through. In terms of background, I have been a resident of Gardiner since

1978 and believe Gardiner to be a wonderful place to live and raise a family.

I am currently on the Gardiner Library Association Board.

Please share a little of your background to give the city an idea of what committees you would be interested in: After spending the past 2 years serving on the Gardiner Planning Board, I would be happy to continue serving on that Board.

My professional experience lends itself to Planning Board activities. I spent over 30 years in facility engineering, construction, and architectural/engineering work. I was active as a registered Professional Engineer from 1978 until 2011 when I placed my license in "Retired" status. I still maintain my status as a Class A Construction Supervisor and hold a General Engineering Contractor's License authorization that allows me to build any structure or project in states requiring Contractor Licenses as long as I meet the other statutory requirements. During that time I was responsible for siting, construction, and startup of 13 green-field industrial facilities and numerous commercial facilities. These typically involved negotiations with local industrial development organizations. On these projects I held various positions ranging from small business owner to employee responsible for the expansion to contractor to design-build firm owner. This experience lends itself to a deep understanding of Planning Board requirements.

- New Mills Dam Committee
- Ordinance Review Committee
- Parks & Recreation Committee
- Planning Board
- Quimby Trust
- Solid Waste & Recycling Advisory Committee
- Technology Advisory Committee
- Tree Committee
- Wastewater Advisory Committee

Please provide the following information:

Name: Philip Garwood

Email: crabhatbrew@gmail.com

Mailing Address: 74 Highland Ave, Gardiner

Residence Address (if different): _____

Phone: 207-514-4377

Please share a little of your background to give the city an idea of what committees you would be interested in and/or best suited for:

I have a master's degree in biology and have worked at the Department of Environmental Protection since 1986. For 29 of those years, I worked in the enforcement unit of the Division of Water Quality Management (DWQM). The DWQM directly regulates wastewater treatment facilities. In performing the duties of my position, I became intimately familiar with licensing requirements and wastewater treatment processes. For many years, I maintained a Grade III wastewater treatment operator certification. I recently let that certification lapse, because I moved to a different bureau within DEP, doing Information Technology Coordination
