#### **4.3 Permits Required Prior to Development**

A permit shall be obtained for all activities listed in section 4.1, prior to the start of any development, construction, site work or commencement of a land use activity.

#### **4.4 Permits Issued After Appropriate Review**

All permits shall be obtained from the Code Enforcement Officer after meeting the appropriate review requirements established in this Ordinance.

**4.4.1** The applicant shall obtain a permit from the Code Enforcement Officer within one year from the date the Planning Board approved a planning board review or site review application.

**4.4.2** For demolition permits, a historically significant structure may be subject to a demolition delay of 30 days allowing the CEO to determine if the structure proposed for demolition is a historic resource.

The following criteria shall be used to determine if a building is significant:

- (1) The building is listed or **be eligible for** listing on the State or National Register of Historic Places, or is partially or completely within the boundaries of an area so listed; or
- (2) The building has documented associations, with one or more historic persons or events, or with the broad architectural, cultural, political, economic or social history of the city, the state or the nation.
