The Ordinance Review Committee recommends the following changes to the City Land Use Ordinance:

Amending Section 6 (6.3.7) as follows:

### **6.3.7 Notice of Planning Board Meetings**

Written notice of any meeting of the Planning Board including workshops and site walks at which a development proposal or potential development proposal will be discussed shall be provided to all property owners within two hundred (200) feet of the subject parcel where the development activity may occur. If other notice provisions of Sections 6 and 14 do not require an applicant to provide such written notice, the City on behalf of the Planning Board shall provide the notice. Notice provided by the City under this provision shall be mailed by first class mail to the owners of record as shown on the City's property tax records at least fourteen (14) days prior to the meeting. The notice shall contain the date, time, and place of the meeting and a brief explanation of the development or potential development proposal to be discussed. Failure of any property owner to receive such notice from the City shall not delay the meeting or invalidate any action taken at the meeting.

## **6.4 Review Procedures**

### **6.4.1 Rights Not Vested**

The submittal of an application to the CEO for review shall not constitute the start of the review process for the purpose of bringing an application under the provisions of 1 M.R.S.A. Section 302. The formal review process shall commence upon notification to an applicant that a complete application has been received.

### **6.4.2 Site Inspection**

The Code Enforcement Officer and/or the Planning Board may perform on-site inspections of any proposed project to learn more about the site and its surroundings.

**6.4.3 Neighborhood Meeting. (MOVED FROM 6.4.5.2)** The City Manager, Mayor, CEO and/or the Planning Board Chair may require a neighborhood meeting for any application or potential application for a project that has significant impact on abutting properties prior to any other consideration of the project by the Planning Board. The neighborhood meeting shall be an informal session to allow the potential applicant to discuss the concept for the project and for neighbors to provide feedback on the development concept.

The City, on behalf of the Planning Board, shall provide written notice by first class mail to all property owners within two hundred (200) feet of the development parcel as shown on the City's property tax records. Notice of the neighborhood meeting shall also be posted at the development site being reviewed as per 6.4.7.8 below.

The neighborhood meeting shall be convened by the Chair of the Planning Board but shall be directed by the potential applicant or their representative(s). There are no requirements for what information the potential applicant must provide at the meeting. Members of the Planning Board may attend the meeting as observers but shall not participate in the discussion. The City shall provide a record of the meeting.
