

GARDINER CITY COUNCIL
AGENDA ITEM INFORMATION SHEET

Meeting Date	08/17/2022	Department	City Council
Agenda Item	4.b- Consideration of awarding the bid for the facility study.		
Est. Cost	n/a		

Background Information

Before I became the City Manager, Acting City Manager Anne Davis put out a RFP for a facility study to inform the capital need of addressing aging buildings that are becoming inadequate for their current uses. Over the last two meetings the Council has seen three presentations from the three firms that submitted proposals. The three firms are as follows:

CHA Architects- Bid \$184,500.00
 Port City Architects-\$44,942.00
 Wright Pierce-\$35,776.00

Council has set aside \$30,000.00 from the ARPA funds for this study. All three bids were higher than that amount and it would be my recommendation that Council approve the use of more ARPA funds to address the overage of whichever firm is chosen. This will result in the study being no cost to our tax payers.

Requested Action	"I move to award the bid for the facility to _____, direct the City Manager to enter into a contract, and approve the usage of ARPA funds to pay for the entirety of the study. "
City Manager and/or Finance Review	City Manager approves of this action.
