

**GARDINER CITY COUNCIL
AGENDA ITEM INFORMATION SHEET**

Meeting Date	12/06/2023	Department	City Manager
Agenda Item	4o. Approval to send Bonding for Road Damage during construction to ORC for Review		
Est. Cost	N/A		

Background Information

Over the last couple of years there has been some significant amount of growth and large construction projects that have happened in Gardiner that require the use of very large equipment and large opening in the streets. This has caused damage to our City roads that has required the City to spend money repairing streets out of the cycle they are currently on. I am requesting that during Planning Board review that the Planning Board consider each time whether or not the applicant needs to provide a performance bond for the public roadways so that the City does not incur the costs of fixing damage done during construction.

Requested Action	
City Manager and/or Finance Review	
Council Vote/ Action Taken	
Departmental Follow-Up
