Mr. Frank Berenyi
DBA – MarijuanaVille

Based upon information previously provided and based upon information now known, this business appears to continue to have appropriate operational, safety and security measures in place to continue to operate in the City of Gardiner. With the appropriate systems in place, it is my belief that the Gardiner Police Department will continue to have the ability to respond safely and effectively to any calls for service that may occur at this business. This business may result in an occasional call for police services; however, it is unlikely that the occasional call will have any true impact on the overall services that the Gardiner Police Department delivers.

Sincerely,
