

**GARDINER CITY COUNCIL
AGENDA ITEM INFORMATION SHEET**

Meeting Date	08/16/2023	Department	City Manager
Agenda Item	4e. Agenda Item-Request from Johnson Hall regarding a permanent stage at the Waterfront		
Est. Cost	N/A		

Background Information	<p>Mike Miclon from Johnson Hall will be on hand to discuss the possibility of Johnson Hall erecting a permanent stage at the Waterfront. Johnson Hall is looking at potential grant funding to make this happen but would need the approval of Council to go forward. As we all know the Waterfront Concerts have become a very large event on Friday nights in the summer in Gardiner. This would allow Johnson Hall to continue the events on a bit larger scale with larger drawing acts and arrange the stage to accommodate more people and take up less parking by not having a portable stage and trailer to take up parking spots during the week. Beyond that Johnson Hall is committing to handling the maintenance of the stage and secure all the funds to design and build it.</p>
