Dear Ms. Desjardins:

The enclosed draft National Register nomination is being submitted for the Historic Preservation Commission's review and report in accordance with requirements of the Certified Local Government Program. The report should, at minimum, address these areas of concern:

- 1) Applicability of National Register criteria.
- 2) How the nomination of this property contributes to local preservation efforts; i.e., educational programs, planning, economic development, protection, etc.
- 3) A summary of public comment.

Your report must be prepared in keeping with the following stipulations:

When a relevant historic preservation discipline is not represented in the Commission membership, the Commission shall be required to seek expertise in this area when considering National Register nominations requiring the application of such expertise. Requisite expertise may be provided through consultation with the SHPO or with 36 CFR 61-qualified persons. For example, if the Commission must review the nomination of a prehistoric archaeological site, and no Commission member is a prehistoric archaeologist, the Commission is required to obtain the advice of a 36 CFR 61-qualified archaeologist for purposes of reviewing the nomination.

Please submit your report to me in advance of the April 23, 2021 quarterly meeting at which the Maine Historic Preservation Commission will consider the nomination. I do not believe there has been a recent National Register nomination in Gardiner, so please contact me if you have any questions.

Sincerely,

Michael Goebel-Bain,
National Register Coordinator
