To: The City of Gardiner,

We have swapped land with Bobby Joe Vassoll at 14 Williams Lane in Gardiner ME (tax map lot 15 A) due to the deeds not being correct as Vassoll encroached on Iron Mine's property. This encroachment has stopped the sale of her property, so we reached an and as a result the land swap changes Iron Mine's boundary line. However, this boundary change does not affect any setbacks, lot sizes, or require any changes to the approved subdivision plan. Bombahook Land Surveying will forward a new plot plan asap.

Kind Regards,

Jo and Roland
