Dear James,

Based on the information you provided for the Phase I Site Plan which involves the renovation of the large building on the old Maine General Campus located at 150 Dresden Avenue, there will be no negative impacts to the Gardiner Public Works Department. If you have any questions or concerns please don't hesitate to contact me.

Respectfully,

A handwritten signature in black ink that reads "Jerry Douglass".

A large, faint circular seal is visible in the background. It contains the text "CITY CHARTER GRANTED 1849" at the top and "GARDINER FOUNDED 1754" at the bottom. The center of the seal depicts a harbor scene with a large ship, a smaller boat, and a building on the shore.
