Final Subdivision Plan Application

Subdivision Name: _____ **Gardiner Green**

Date of Submission: **8-19-20 revised 5-1--21** Received by: _____

Proposal:

Phase 1

Rehab of the original hospital building into approximately 34 apartment units. Estimated 11 studio apartments, 11 one-bedroom apartments, 11 two-bedroom apartments and one three-bedroom apartment. Seven apartments will be designated as affordable. All affordable units would be in the first building done (Building 6) and available from the outset and indistinguishable from the market rate apartments in fit and finish. The buffering from adjacent properties and the central garden and driveway improvements would be done in this phase as well as any lighting improvements on the western half of the site to enhance the dark sky. Site impervious surface reduction after this phase 11%.

Phase 2

Rehab of the hospital south annex building into 4 townhouse condominiums. This would involve adding a second story to the building.

Rehab of the boiler house building into 2 townhouse condominiums.

This would involve adding back a second story that was previously removed.

Overall resultant height 32' 3". Please see roof height study dated April 14, 2021.

Site impervious surface reduction after this phase 13%.

Phase 3

Rehab of the Gardner Family Medicine building into approximately 7-8 townhouse condominiums. This would involve adding a second story to the existing building and changing the roofline. Overall resultant height no more than 42'. Please see roof height study dated April 12, 2021 and the Concept Images dated 4-21-21. Lighting improvements on the eastern half of the site to enhance the dark sky will be done at this time along with the swimming pool and other amenities on the south of the site. New construction of 7 duplex townhouses and 1 single townhouse (if any allocation remains) to build the full permitted complement of 56 units. The new construction would be done in the currently paved area to the north of GFM. Stormwater improvements would be done during this phase. Ultimate site impervious surface reduction 18%.

A total of 56 dwelling units will be developed; 49 market units and 7 affordable units. There will be no commercial occupancy. Current HDR zoning permits one unit for every 5000 sf with a 20% affordable housing bonus. $5.43 \text{ Acres} \times 43560 = 236,530.8 \text{ sf}$ minus 1230 sf of stormwater infrastructure = $235,300.8 \text{ sf} / 5000 \text{ sf/unit} = 47.06 \text{ units}$ (56.47 units w 20% density bonus)

Final Subdivision Plan submission requirements

- The final plan submissions shall consist of the following:
- A final plan application form and all required attachments and maps.
- All the submission materials required for a preliminary plan.
- A performance guarantee, if applicable.
- All additional studies and/or materials required by the Planning Board, as applicable.
- If the subdivision contains any private roads, a statement as follows: the subdivision roads are designed as private roads and are not eligible for acceptance by the City of Gardiner, unless the road is improved to meet the appropriate standards for road acceptance.
- Written copies of any documents of land dedication, and written evidence that the City Manager is satisfied with the legal sufficiency of any documents accomplishing such land dedication.
- Proof that all other applicable state and federal permits have been obtained.

The Final Subdivision Plan

- The Final Subdivision Plan (map) shall contain the following:
- All conditions and modifications approved by the Planning Board for the preliminary plan.
- Any conditions required by the Planning Board for the final plan.
- Conditions or restrictions placed on the subdivision by the Applicant. (*Note: Planning Board-imposed conditions shall be listed separately from any conditions or restrictions placed on the subdivision by the applicant*).
- All waivers approved by the Planning Board.
- The location and type of all permanent markers set at all lot corners.
- Any variances granted by the Board of Appeals.
- A signature block.
