

Ambulance Advisory Board

August 14, 2023

Present: Chief Rick Sieberg, Tina Gowell, Jay Danforth, Steve Caswell, Mike Gross, Nick Kimball, Rusty Greenleaf, Tim Cusick, Jason Farris, Shawn Pierce, Denise Brown, Tara Miley

Accepted minutes from April 3, 2023: Motion by Jay Danforth, second by Tim Cusick. Approved 8-0.

Old Business:

At the April 3, 2023 meeting, it was voted to use a portion of the Ambulance Fund Balance to fully pay for the ambulance ordered last February (Rescue 3), pay off the remaining debt on Rescue 1 and 2, pay the remaining balance on the Radio loan and cover the cost increase on Rescue 4 chassis if the County will not. All of this has been done.

New Business:

The board was presented ideas on budgeting for future uncollected ambulance bills and payment options for current outstanding ambulance bills. Front loading contract bill to the towns is an option but may be a difficult sell to the towns. City staff will look at some other options as well and report back.

Multi- year contracts were also discussed and the board is in favor of moving forward with proposing this to the member communities.

Motion to adjourn by Tim Cusick, second by Jay Danforth. Approved 8-0.

Next Meeting: November 13, 2023 @ 6:00pm

Respectfully submitted:

Rusty Greenleaf
